RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Applicant hereby submits this renewed Petition to withdraw the holding of abandonment set forth in the Notice of Abandonment mailed March 13, 2003 (hereinafter "Notice"). The Notice indicates that the captioned application was abandoned due to Applicant's failure to timely pay the required issue fee.

However, Applicant did not receive a Notice of Allowance for the captioned application. Attached hereto is a Statement of Facts which sets forth our practice for receiving mail from the U.S. Patent & Trademark Office, along with docket records for the captioned case as well as for all cases during the applicable time period. As evidence will show, the undersigned has no record of receiving of a Notice of Allowance for the present application.

In light of the evidence submitted herewith, Applicant respectfully requests that the holding of abandonment be withdrawn and the Notice of Allowance be reissued.

The Commission is authorized to charge the required fee, if any, to Deposit Account No. 503268.

Respectfully submitted,

STATEMENT IN SUPPORT OF RENEWED PETITION TO WITHDRAW
HOLDING OF ABANDONMENT

Sir:

Applicants submits this statement in support of its Renewed Petition to Withdraw the Holding of Abandonment in the above-identified application.

Applicant received a Notice of Abandonment mailed March 13, 2003 indicating that Applicants failed "to timely pay the required issue fee within the statutory period of three months from the mailing date of the Notice of Allowance."

The undersigned believes that the Notice of Allowance apparently mailed between August 20, 2002 (the date of Applicant's last known response) and March 13, 2003 (mail date of Notice of Abandonment) was never received.

When an action requiring a response, including a Notice of Allowance, is received from the U.S. Patent Office by our office, it is given to our Patent Paralegal, Pam Gerik. Ms. Gerik opens all mail received from the U.S. Patent Office. The mail date of each action and the

applicable due date for responding to each action is entered into our computerized docketing system by Ms. Gerik. This information is entered using the Application Number identified on the action. The action is subsequently routed and physically placed into the corresponding application file.

Applicant's representative encloses a copy of the docket record corresponding to the above referenced application herewith (Exhibit A). In addition, a due date report for all actions due between August 20, 2002 and March 13, 2003 is also enclosed herewith (Exhibit B). If the allegedly mailed Notice of Allowance was received for the captioned case, the docket record would indicate the mail date of the Notice and the corresponding due date. The enclosed docket record for the captioned case as well as the Due Date Report do not show that a Notice of Allowance was received for Application No. 09/409,473; thus indicating that the Notice of Allowance was not received from the U.S. Patent Office. Applicant's representative has searched the respective file and can find no indication of the allegedly mailed Notice of Allowance therein, as evidenced by the copy of the index sheet of the physical file enclosed herewith (Exhibit C).

Not knowing of the Notice of Allowance, Applicant was unaware of the required fee. This statement is signed by Applicant's representative, Kevin L. Daffer, and the Patent Paralegal, Pam Gerik.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made that the knowledge that willful false statements in the like so may are punishable by fine, or imprisonment, or both, under United States Code, Title 18 § 1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which the verified statement is directed to.
